

"Shadow Play"

Materials

- White cardboard
- Colored pencils
- Markers
- Glue
- Scissors
- Wooden sticks
- Small pieces of sponge

Instructions

Print the photo of the vessel on the next page and cut out the figures from the vessel representation.

Next, apply glue to the back surface of the figure and attach the sponges. Finally, insert the sticks into the sponges. You will also need a large white bed sheet that lights up from the back and the... let the show begin!

You can print the vessel multiple times to create more figures for your show.
