

# Footrace

## Materials

- Printed photo of the vessel
- Cardboard or white A3 paper
- Photos
- Scissors

## Instructions

- Print the photo of the vessel on the next page on A4 paper.
- Cut out the shapes of the runners.
- Attach the vase to the cardboard using glue, and paint the areas from where you cut out the figures in various colors.
- Then glue the cut-out shapes on the cardboard outside the vase and give the picture movement.
